

➤ Washington Mayfair Hotel, Curzon Street, London.

Located in the heart of Mayfair, the Washington Mayfair offers distinctive luxury accommodation with classic styling for the discerning visitor to London. Major renovation has kept the elegance of the original architectural design but introduced bigger rooms, air conditioning and high tech communications.

SBL provides services supporting the hotel's Alcatel 4400 telephony system and offers advice and guidance regarding the entire communications infrastructure, including TMS Call Accounting and Micros-Fidelio Property Management System.
